OATMEAL SPICE

Gentle oatmeal, ground and whole, provides skin-healing exfoliation. Organic ground cloves give this soap a rich, spicy scent. Feel the difference in your skin with this gentle complexion bar good for the whole body.

LAVENDER

Treat yourself. This bar’s fragrance is pure lavender essential oil – a natural relaxant. We’ve added organic comfrey root to our proven base recipe for a bar that will soothe and hydrate your skin.

LEMONGRASS TEA

This bar’s fragrance is a complex blend of six essential oils, including citrus and herbs, and organic rosemary leaf. A very popular bar among both men and women.

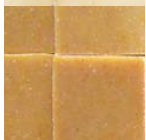

THYME GARDEN

A gardener’s and herb lover’s bar! Full of scents of thyme, rosemary, sage, and others. This bar makes any gardener or cook happy. Natural chlorophyll and organic cloves create a deep green color.

PINK GRAPEFRUIT

This soap is a true pleasure. Pink grapefruit essential oil is at once brilliant, deep, and refreshing, perfect for a shower or bath at any time of day or any season. Our favorite.

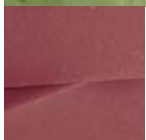

PATCHOULI

Patchouli lovers, here is your bar. We’ve scented this bar with deep, earthy patchouli essential oil while keeping the scent level mild. Organic orange peel provides a bold color and a hint of citrus fragrance. If you haven’t tried our patchouli bar, then it’s time to take the plunge.

PEPPERMINT LEAF

A blend of pure mint essential oils combines with organic peppermint leaf to create this invigorating soap. We added menthol for an extra zing of peppermint. Great for the morning shower.

BLOOD ORANGE & BERGAMOT

A unique twist on citrus! Blood orange essential oil blends with the complexity of bergamot for a smooth, light, and citrusy bar.

MONTANA PRAIRIE

This soap is best described as open and fresh. A blend of sage, lemongrass, and spearmint essential oils resembles the open spaces here in Montana, and calendula petals provide homegrown beauty. This soap is popular with both men and women.

CITRUS LAVENDER

Orange essential oil, with hints of tangerine and lemon, provides a perfect citrusy blend. Lavender essential oil rounds it out. This soap will surprise you with its fragrance that is both bright and mellow.

FOREST TONIC

The elusive and slightly sweet scent of juniper berries enhances this woody bar, fresh as the outdoors. Ground juniper berries provide exfoliants.

SENSITIVE SKIN / UNSCENTED

Pure soap, plain and simple. This bar has no fragrance and no color. A perfect soap for people who prefer a gentle soap with a good lather in a fragrance-free alternative. Especially helpful for sensitive skin.
